

Engineering Change Notice

ECN 單號 ECN Serial No.	發行日期 Date of Notice	產品品號 Product P/N	影響產品/零件 Description of Part/ Product
ECN210823001P	2021/08/23	Progmaster-U8	Gang programmer Progmaster-U8/S8 series.
舊版版本 Old Rev.(S/N)	新版版本 New Rev. (S/N)	發行單位 Department	
SKTX8-V4	SKTX8-V5	R & D	
工程變更類型 Type of Engineering Change			
<input type="checkbox"/> 新產品規格 New Engineering SPEC	<input checked="" type="checkbox"/> 永久性工程變更 Permanent Change	<input type="checkbox"/> 暫時性工程變更，有效日期至____ Temporary Expired Date:	
工程變更原由 Reason for Change			
<ul style="list-style-type: none">● Improve the durability and stability● Enhance the body structure● Circuit optimization and protection● Optimized circuit and parts protection			
變更描述 Description of Engineering Change			
<ul style="list-style-type: none">● Remove the SD Card slot and change it to 64GB internal storage● Move the AC power from the side to the back● The size has been changed from 28.5 x 23.5 x 5.8 cm to 30.5 x 23.5 x 6 cm● Weight changed from 2 kg to 3.3 kg			
影響的內容 Effects of Change			
<ul style="list-style-type: none">● The shell is not compatible with the old model● The bakelite is not compatible with the old model● Hand pressure fixture is not compatible with the old model● Stand alone need to reconnect with PC to replace files● Old version of programmer will be no longer updated or fixed but replaced by a latest model version● Size and power supply position adjustment
